Hadrian's Wall country is home to some of the UK's most spectacular landscapes, our AD**122** and **681** buses makes exploring them on foot easier than ever before. With your AD122 rover bus ticket, you can hop on and off the bus, all day, joining any of the beautiful walks across the region.

Hadrian's Wall National Trail

The Hadrian's Wall National Trail follows the line of the Hadrian's Wall UNESCO World Heritage Site, passing through some of the most beautiful parts of Northumberland – from rolling fields and rugged borderlands to the vibrant cities of Newcastle and Carlisle – with dozens of fascinating museums, forts & attractions along the way.

Anyone who is reasonably fit can walk along Hadrian's Wall Path and the route is relatively easy. The 23 mile (37 km) section between Chollerford and Birdoswald, served by AD122 and 681, is the most difficult, with lots of short climbs and descents.

Hop on and off the AD122 or 681 anywhere between Birdoswald, Greenhead, The Sill, Chesters, and High Brunton to explore the trail.
